Driving Directions from Al Ain

From Al Ain follow the signs to Abu Dhabi airport. Once you have turned off the Al Ain highway onto the airport highway you are nearly there location wise - the clinic is near the cricket stadium. Unfortunately there is no direct flyover to get to the cricket stadium or us from the airport bound lane. So what you have to do is go up to the first available flyover (Khalifa City A) cross over the highway and merge back onto it coming back the way you have come until you reach the turnoff to the cricket stadium and us. It's the first turnoff you reach. The clinic is right in front of you - first villa you can see and reach after the mini-roundabout - with a BVC sign on front and side.

The flyover for Khalifa A is a clover leaf so there are a couple of ways to double back. If you are quick then you will notice that there is a lane off to the right just after you cross the highway otherwise go down to the circle and double back around that. Re-join the highway coming back into Abu Dhabi and take the next off ramp.

Driving Directions from Dubai

From Dubai driving towards Abu Dhabi on the E11 highway, after the Tulip Inn Hotel and Al Rahba Hospital, take the Tarif, Al Ruwais & Al Sila turn-off. You will then go over a bridge and still continue on the E11 highway, south.

Follow the signs to the airport and Abu Dhabi, Keep right at the fork and merge onto Airport road flyover. Continue straight towards Abu Dhabi. You will then pass under 1 bridge going to Khalifa City A, take the next turnoff for the Cricket Stadium and Al Forsan Sports Resort. After continuing straight through the first "round-about", take the second turn off to your right and we are at the last villa towards the main highway.

An alternative route is to stay on the Dubai – Abu Dhabi Highway until you reach the Abu Dhabi Airport. Take the airport off ramp and go under the highway towards the airport. When you reach the airport take the signs to Abu Dhabi City. You are now on the airport to Abu Dhabi highway. The first exit you reach is to Khalifa City A. Take the exit AFTER the Khalifa City A exit. The exist you take is signposted to The Cricket Club and The Golf Club. We are directly in-front of you after the mini-roundabout. The first villa, with our logo sign of a cat and dog and bird in a roundel.
