

The British Veterinary Centre

Pet Travel - Approximate Charges

Charges vary according to level of services required, size of the animal and destination country.

BVC Export Arrangement - examples of “approximate” fees

Examples following are “approximate” estimates.

They **EXCLUDE**:

- AWB fee (the airline’s freight charges- airway bill),
 - Dependent upon cage size and destination.
 - **You may make your own enquiries to chosen airlines for case specific freight (AWB) charges, or have us create a customised quote for you (service fee deductible against final invoice).**
- Cage cost (use your own or we can supply approved cage to fit your pet)
- Destination agent (Except for UK where this is mandatory)
- Veterinary medical costs (vary with pet and destination)
- Guardianship (in absence of owner event coordination)
- Any quarantine booking

Export Permit Only	AED 417
To “easy” country approx. (Special certification not required)	AED 2,367
To USA (dog) approx. (Special certification required)	AED 2,649
To Australia approx. (Special certification and procedures required)	AED 3,930
To UK approx. (Special certification and procedures required - Includes mandatory Import Agent fees)	AED 4,749

Please note:

Our service is highly competitive. We will match fees of any IPATA agent offering a comparable service at a cheaper rate.

Customised quotes are available if you send the correct info form.
